The central ideas of economics in a series of fifty clear and concise essays which shed light on the essential topics needed to understand booms and busts, bulls and bears, and the way the world really works. Packed with real-life example and views from key thinkers, 50 ideas you really need to know: Economics provides a fascinating overview of how economics influences every aspect of our lives, from buying a house to what we had for breakfast this morning.

ISLAMIC ECONOMIC INSTITUTIONS AND THE ELIMINATION OF POVERTY

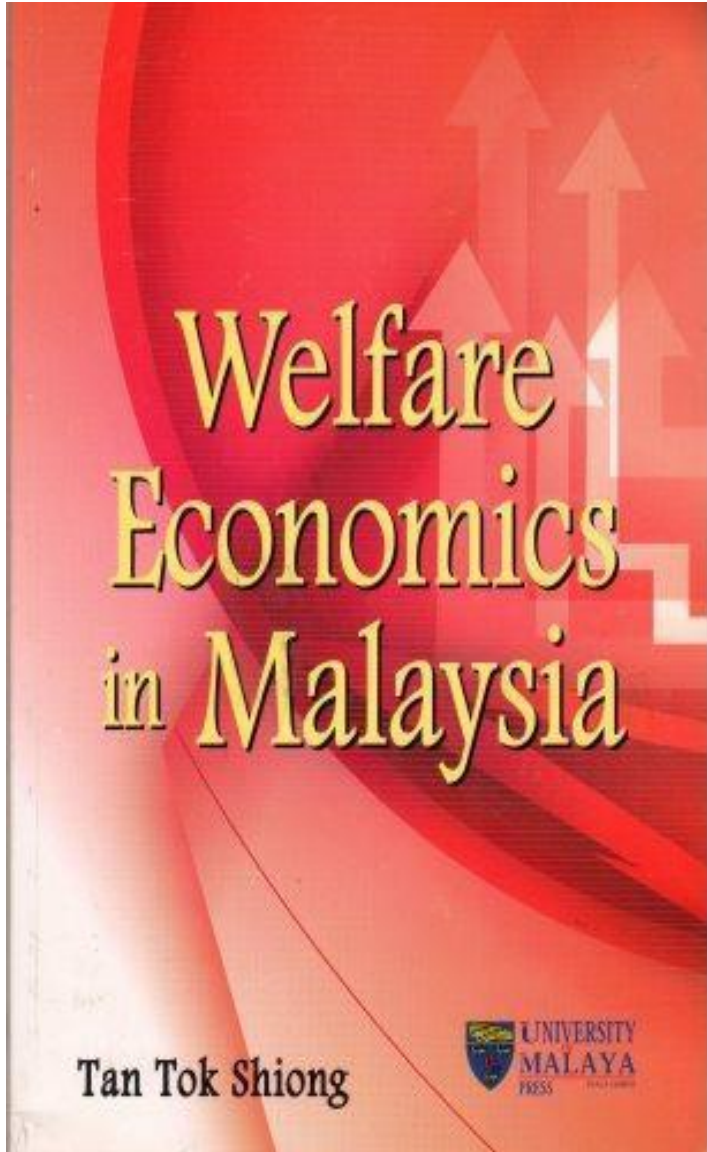

This book highlights the Islamic approach towards poverty elimination. Articles included in the volume point out that Islamic institutions such as *zakah* (obligatory wealth tax), elimination of *riba* (interest), *awqaf* (endowments), *takaful* (insurance), and *irfaq* (charity) play an important role in reducing poverty levels and income distribution.

It features articles by many prominent scholars, including Mohammad Hashim Kamali (an authority on Islamic finance), Mohammad Daud Bakar (a member of Malaysia's central bank), and Dr. Seif El-Din Ibrahim Tag El-Din (the 2015 winner of the IDB Islamic Economics Prize).

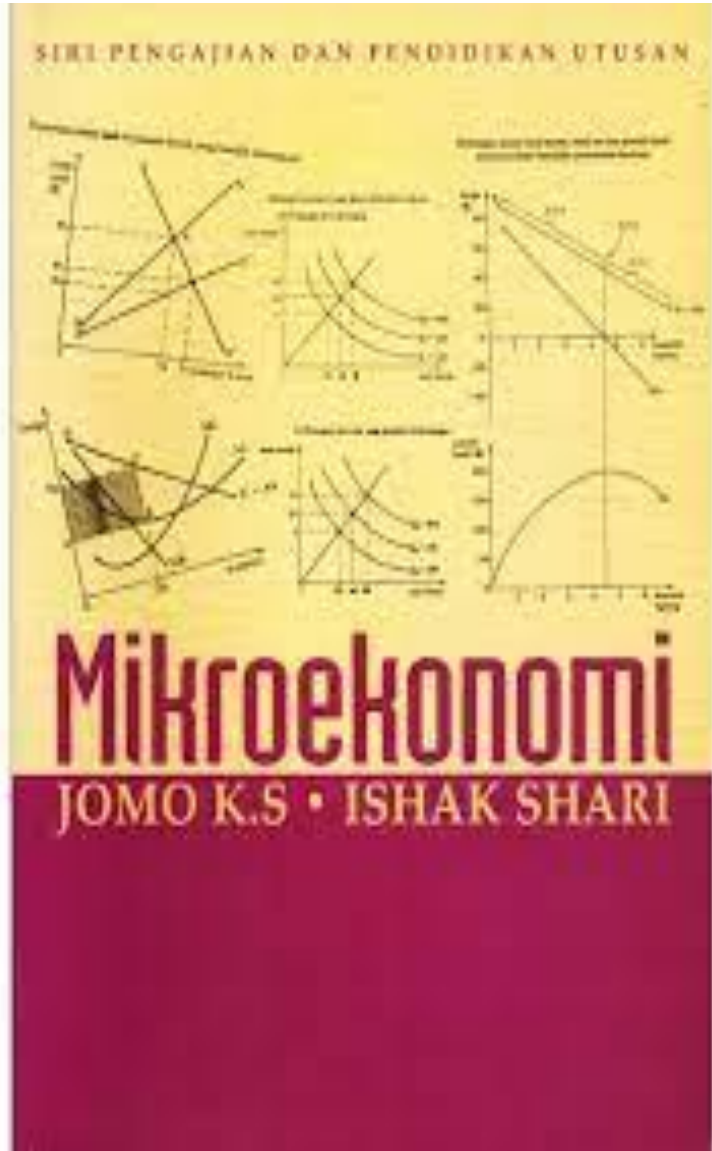

WELFARE ECONOMICS IN MALAYSIA

This book presents theories on welfare economics using easily understood examples commonly found in Malaysia. The argument of the book centers around three basic theorems. Readers will gain many insights concerning welfare issues which our contemporary society is facing. The welfare theories are also translated into usable techniques which can be applied to aid decision makers. Some case studies using these techniques are presented in the book. Readers who are keen in seeking a better future for our society will find this book indispensable.

MIKROEKONOMI

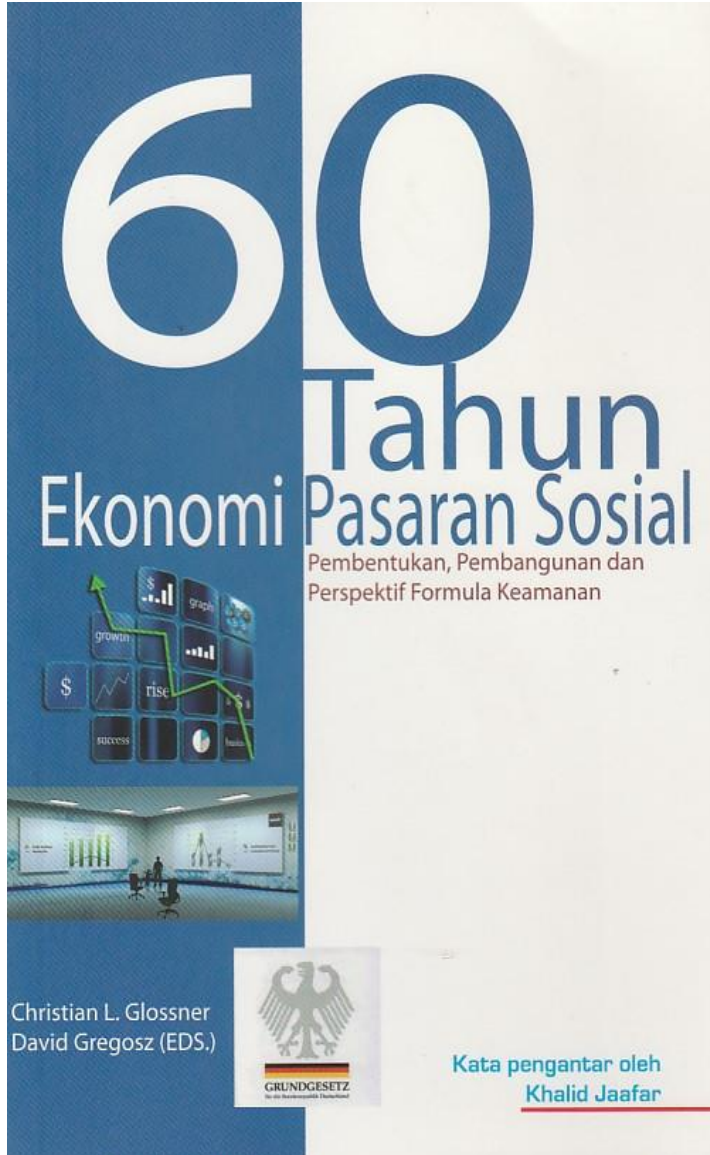

Buku ini diolah berdasarkan sukatan pelajaran Ekonomi STPM yang telah dikeluarkan oleh Kementerian Pendidikan Malaysia. Buku ini ditulis dan dirancang dengan teliti dengan menggunakan Bahasa dan kaedah yang mudah difahami oleh pelajar yang mengambil mata pelajaran Ekonomi. Penerangan dibantu dengan rajah, jadual dan contoh yang jelas pada setiap bab. Di penghujung setiap bab disediakan latihan bercorak objektif, perbincangan dan menganalisis rajah atau statistik yang bertujuan mengukuhkan lagi kefahaman pelajar. Senarai istilah yang penting dalam bidang ekonomi juga disediakan.

BRAIN TEASERS IN ECONOMICS

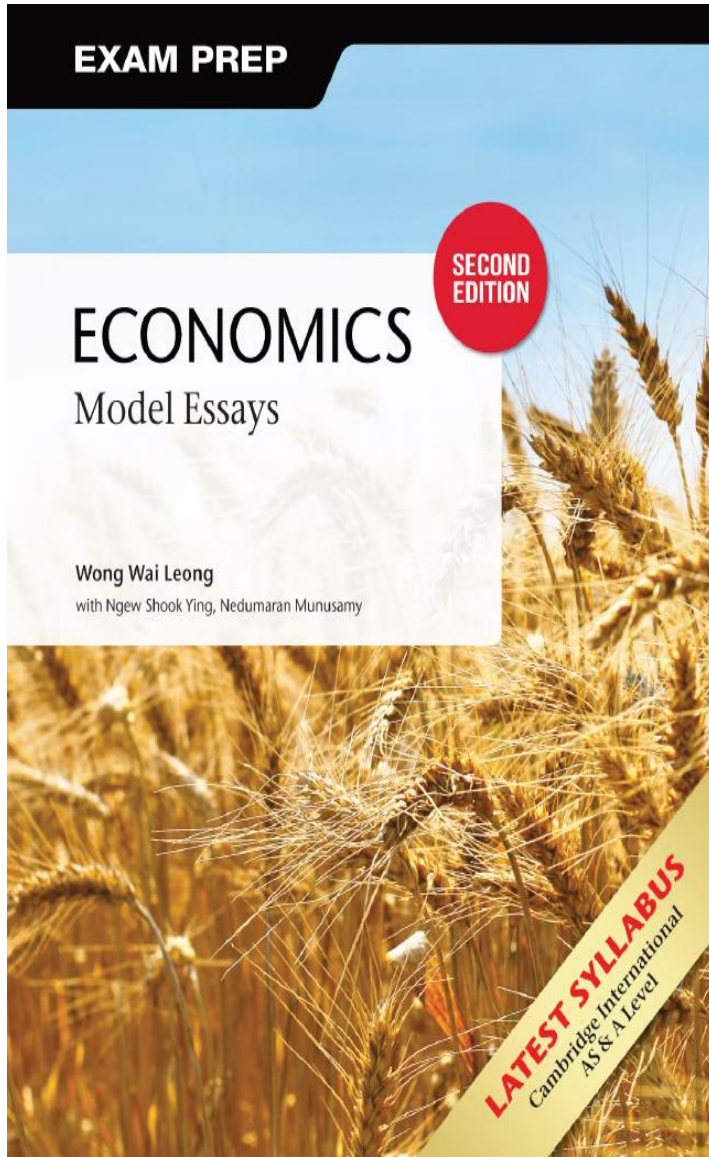

Brain Teasers in Economics is meant for the students of plus two and BA classes. It is not a textbook but a book that sharpens the intelligence and memory, whets further interest and enthusiasm in the subject, and generates a greater confidence in the students towards their knowledge of economics. It covers a large part of the Economics syllabi prescribed by the various educational boards and universities in the country for the above-mentioned classes. The chapter-wise quizzes and short questions facilitate a systematic study of the complex subject, and make it very lucid and simple to comprehend. The objective pattern adopted in the book makes it easier for a quick revision of the major topics apart from clarifying the concepts, and can also be used as a reference book.

60 Tahun Ekonomi Pasaran Sosial: Pembentukan, Pembangunan dan Perspektif Formula Keamanan mengingatkan kembali sejarah asal-usul dan prinsip-prinsip dasar model ekonomi dan sosial-politik Ekonomi Pasaran Sosial. Tambahan pula, transformasi konsep itu dari masa ke masa ditelusuri kembali dan potensi masa depan perkembangannya disajikan untuk pembaca. Sejak diimplementasikan secara politik oleh khususnya Ludwig Erhard dan Konrad Adenauer dalam Majlis Ekonomi di parlimen legislatif yang pertama pasca-perang, dan selanjutnya di Bundestag Republik Persekutuan yang baru muncul pada tahun 1949, Ekonomi Pasaran Sosial adalah “Jalan Ketiga” Jerman untuk polisi kawal selia yang berada di antara sosialisme sentralis dan kapitalisme tidak terkawal dan telah terbukti sangat berjaya.

ECONOMICS MODEL ESSAYS

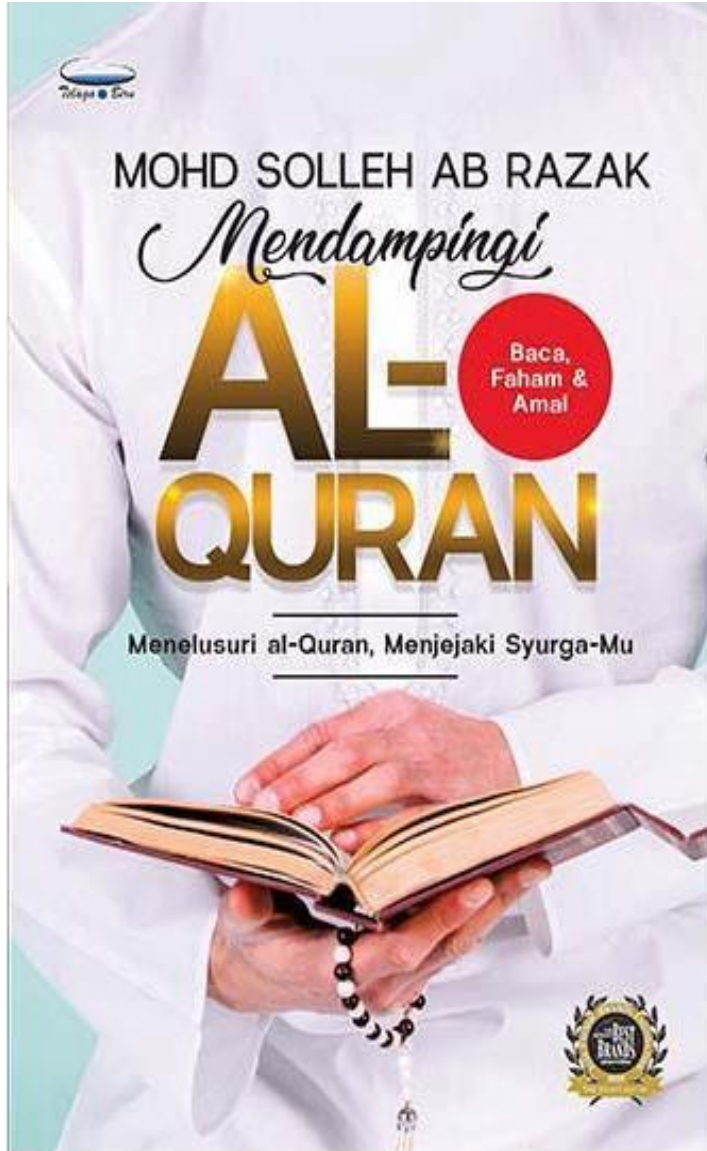

This book contains over 50 new model essays covering each syllabus unit to aid understanding on how to effectively approach essay questions. Each model essay is accompanied by an essay outline that presents a clear essay structure comprising an Introduction, Body and Conclusion.

In addition to various tips, conceptual diagrams on basic economics concepts are also included in the book to give an overall insight into each subject topic. This book is suitable for students taking Paper 2 and Paper 4 of the Cambridge International AS & A Level Economics (9708).

MENDAMPINGI AL-QURAN

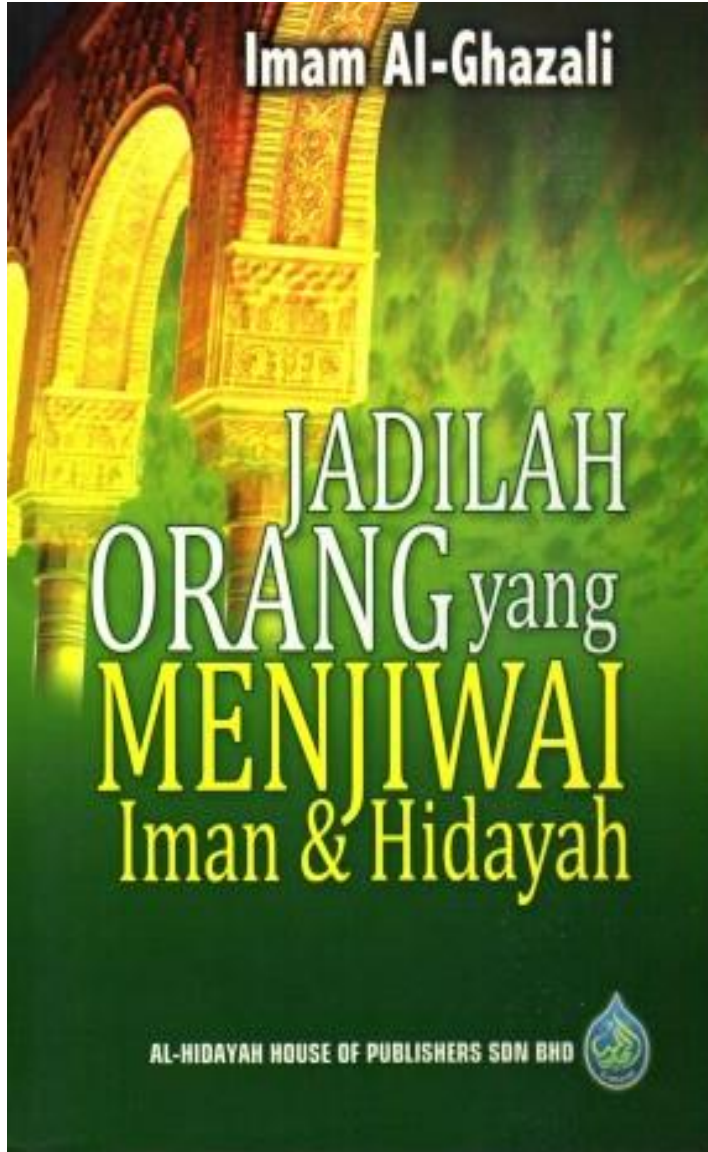

Melihat kepada tajuknya sahaja pembaca mungkin sudah mengerti apakah inti pati buku karya Ustaz Mohd Solleh ini. Memandangkan umat Islam terdiri daripada pelbagai golongan, maka penulis mengambil inisiatif untuk menghasilkan buku yang mampu memberi panduan yang padat dan menyeluruh tentang kitab indah ini.

Buku ini dihasilkan dari perspektif al-Quran itu sendiri, dalam usaha untuk membantu pembaca pandai membaca, memahami dan mengamalkan kandungannya. Antara yang dikupas dalam buku ini ialah sifat-sifat al-Quran, adab-adab membaca al-Quran, apakah itu tilawah al-Quran?, cara meraih kemanisan dalam solat, cara mentadabbur al-Quran dan sebagainya.

JADILAH ORANG YANG MENJIWAI IMAN & HIDAYAH

Sebuah karya agung oleh ulama dan tokoh ilmuan terkenal Islam, "Bidayah Al-Hidayah" ke Bahasa Melayu dan diberi tajuk "Jadilah Orang Yang Menjiwai Iman Dan Hidayah". Karya yang mengulas dan memperincikan perkara berkenaan ketaatan serta patuh kepada Allah S.W.T juga dibicarakan cara bagaimana menghindari dan menjauhi diri dari maksiat. Selain itu diterangkan tentang hubungan di antara sesama manusia dan hubungan dengan Allah Yang Maha Menciptakan. Secara umumnya perbicaraannya juga meliputi kesempurnaan akhlak, melindungi serta menjaga diri dan jiwa daripada kesalahan.

Betapa pentingnya menjaga dan memelihara iman dan hidayah untuk kecemerlangan dunia dan akhirat. Kerana tanpa iman hidup kita kosong dan tidak punya kemudi. Manakala tanpa Hidayah sisi yang cerah dan terang akan malap dan gelap-gelita.

"STATISTIK...SEGALANYA PASTI"

Tak kira walau apa
Cabaran dan aral melintang
Statistik meringankan
Segala beban yang menjelma
Gementar tiada

Bersama kita teguh hadapi
Bentala dipenuhi misteri
Namun statistik kan
melindungi
Statistik petunjuk realiti

Kesejahteraan negara
Perpaduan seluruh bangsa
Dengan irama data

Tidak hanya berbicara
Pagi hingga ke senja
Semangat yang terus membara
Data dan kehidupan berteraskan harapan
dan impian kemakmuran

Segalanya PASTI
Bergalaskan strategi
Menuju aspirasi
Harapan.. Keamanan
Impian... Kedamaian
